

## City of Capitola - Sales Tax Update

During the 2004 November election, the City of Capitola voters approved a quarter percent retail transaction and use tax. The sales tax rate will increase to 8¼ beginning April 1, 2005 and will expire in five years. It is estimated that the tax will generate 1.2 million annually in additional revenue for the City, and it will be used to maintain general services which includes public safety and street improvements.

The new transaction and use tax must be charged on all tangible personal property that is delivered or placed into use within the Capitola city limits.
